

Training & Development Case Studies

British Bakeries - The home of Mothers Pride, Hovis & Nimble

 The CQM training Initiative have developed our staff beyond all expectations. It has become an integral part of our manufacturing strategy. 

Kim Gallagher - HR Manager

Epwin Group - Telford Extrusions Site

 I was told I would be impressed (by the lean team's activity) however I am more impressed than I could have believed. The quality and depth of the improvement activity has been excellent. 

Tony Williams, Managing Director

Tetrosyl - The Car Plan People

 Training our managers with CQM has been essential to our Tetrosyl Change Programme (TCP) and the impact is noticeable in all operational areas. 

Paul Fox - Operations Director

Transaction Network Services - Global Communications Company

 I am genuinely surprised by the quality of results. 

Mark Collins, SVP UK and Ireland

Dyson Industries Ltd - Industrial Manufacturer

 I was impressed with the way CQM rapidly achieved a good team spirit and even more impressed with the level of enthusiasm that was generated by CQM. 

Mark Stuckey, Executive Team Leader, Dyson Industries Ltd.
