

### ***Gemma Callaghan - Project Co-ordinator***

Gemma plays a vital role within CQM as key support for the business delivery team within the Sheffield based office. As well as modifying and preparing material, Gemma has also gained skills in development and maintenance of CQM's website.

Prior to joining CQM Gemma had an effective role in Automotive Retail Sales. She has also provided support to a Building Products Division which has enabled Gemma to formulate an effective approach to her work.

With an outgoing and positive attitude, Gemma's skills are a fundamental contribution to the success of the consultancy projects and to help drive CQM forward.
